

## AZBA Petition to ABSA to Form and Affiliate

The Arizona Biosafety Alliance (AZBA) was founded in June of 2012 for the purpose of forming a regional network of professionals with the goal of strengthening biosafety and biosecurity in the state of Arizona by:

- Promoting the study, evaluation and control of biohazards in the workplace.
- Increasing knowledge and awareness of biological safety issues in Arizona.
- Encouraging interest and knowledge in current and emerging biosafety regulations.
- Fostering and promoting collaborative exchange between institutions.
- Expanding professional and public awareness of biological safety through effective communication.

AZBA is committed to promoting biological safety awareness in order to improve safety in the workplace, the environment and our community. Our membership comes from within the state of Arizona. AZBA petitions the American Biological Safety Association (ABSA) for "Affiliate Status".

We the undersigned, members of AZBA, support this requires to become an ABSA Affiliate.
